

2023 **Malleret** – Haut-Médoc – Tobacco, cedar, and currants with flowers, and licorice come through with ease. The wine is loaded with sweet, ripe, red berries, espresso, cocoa, licorice, and a refreshing touch of mint on the backend. This will be quite nice to enjoy on release, yet it has more than a decade of aging potential. Drink from 2027-2040.
