Drinking Window
2027 - 2037

From: A Place Beyond Praise: Bordeaux 2022 (Feb 2025)

The 2022 Château de Malleret has definitely improved on the nose since I tasted it in barrel. It's more nourished, with greater depth and *fruité*. The palate is medium-bodied with simple notes of blackberry, briar and pencil shaving on the finish. Drink this over four to six years.
